*A motion was made by Mr. Brown in the matter of CUAP #14-135-005, Dorsey Park Property, Commercial Communication Tower, having made a finding that the standards for granting a conditional use and the objectives of Section 51.3.91 of the St. Mary's County Comprehensive Zoning Ordinance **have** been met, I move to **approve** the request to build a monopole style commercial communication tower at a height of 125 feet above ground level, subject to the following conditions:*

1. *The tower shall be constructed so as to provide adequate capacity for future co-location of other commercial and, or, government operated antennae. The system design plan shall delineate areas near the base of the tower to be used for the placement of additional equipment buildings for other users.*

2. *No signals, lights, or illumination shall be permitted on the tower unless required by the Federal Communications Commission, the Federal Aviation Administration, or the County.*
3. *No commercial advertising or other language shall be permitted on the tower.*
4. *All obsolete or unused facilities, including buildings, towers, and all other improvements associated with the tower, shall automatically be deemed abandoned upon 24 months of continuous cessation of operations and shall be removed at such time without cost to the County. The Applicant shall provide a bond, letter of credit, or other appropriate surety at time of approval as approved by the County to cover the cost for demolition of the facility and site restoration.*
5. *Contact information shall be prominently displayed on the fence enclosing each facility. This information shall be current and shall identify the company name, responsible individual, and phone number for the contact person.*
6. *Final site plan approval is required with the condition that the fall zone to the ball field goal post be at least 135 feet.*
