

Patuxent Park Revitalization Project - Phase 2 Construction Update for December 2011

Work hours are from 7am to 5 pm, Monday thru Friday for Great Mills Lane and North Essex Drive. "No Parking" signs will be posted as needed at least 2 days prior to work beginning on each street.

All work is weather permitting

Great Mills Lane (from Midway Drive to North Essex Drive)

December 5-9: The Contractor will continue installing new sewer services. Steel plates may be used to temporarily cover excavations. Traffic control devices, including flaggers, will be utilized. Temporary sidewalk closures may be required. No service interruptions are anticipated.

December 12-16: The Contractor will continue installing new sewer services.

December 19-23: The Contractor will begin restoration of paving surfaces.

December 26-30: No work is anticipated at this time.

North Essex Drive (from MD Route 246 to Saratoga Drive)

December 5-9: The Contractor will continue installing new water and sewer services. Steel plates may be used to temporarily cover excavations. Traffic control devices, including flaggers, will be utilized. Temporary sidewalk closures may be required. No service interruptions are anticipated.

December 12-16: The Contractor will continue installing the new water and sewer services.

December 19-23: The Contractor will continue installing the new water and sewer services.

December 26-30: The Contractor will continue installing the new water and sewer services.

If you have any questions, please contact the METCOM Project Manager at 301-737-7400, ext. 307 (7:00am to 4:30pm); or Standby Service at 240-538-8576 (4:30pm to 9:00pm); or Emergency Service at 301-373-5305 (9:00 pm to 7:00 am) or the DPW&T Project Manager at 301-863-8400, ext. 3525. This monthly Construction Update was prepared by the St. Mary's County Metropolitan Commission and the St. Mary's County DPW&T.
