DEVELOPMENT REVIEW- STREAMLINING DISCUSSION TO BE HELD FEBRUARY 8

A forum on Development Review-Streamlining will be conducted on Wednesday, February 8, 2012, from 3:00 pm to 5:00 pm in the Commissioners' Meeting Room on the first floor of the Chesapeake Building in the Government Complex, Leonardtown.

A discussion panel representing the major development review agencies will be available for a discussion forum with the development community. Streamlining will be the main topic of discussion. Professional Surveyors, Engineers and Land Use Consultants are encouraged to attend.

A number of recommendations were presented to the County Commissioners to enhance streamlining and efficiency in the review process for subdivisions, site plans, or building permits. Staff is moving forward with these initiatives and working on drafting some text amendments to the Comprehensive Zoning Ordinance.
