

Funding

Other possible sources of funding may be available through: The SMC Health Department, The Department of Social Services: The Judy Hoyer Foundation (PLAY CAMP only) The ARK of So MD and other private organizations. The Recreation and Parks Department does not contact private sources on the customer's behalf. It is the responsibility of the individual to fund or find funding for camp; if an organization is able to assist you with the cost of camp, a letter of commitment is required by this organization at the time of registration.
