

All participants in the youth basketball programs receive a T-shirt.

The Youth Basketball program is designed to provide a positive youth sports environment for children grades 1st through 10th.

The goal of the program is to teach participants a foundation in basketball skills, sportsmanship and teamwork. The program will utilize safe and appropriate facilities, trained volunteer coaches and a professional recreation staff to insure an enjoyable and safe atmosphere for each participant. All volunteer coaches participate in an annual background screening process and have completed certification through the National Youth Sports Coaches Association.
