Parking Lot Repairs to Impact Availability of Spaces

Leonardtown, MD – Parking lots at county government owned and buildings and facilities will be undergoing repairs during the remainder of June. Lots are being seal coated in phases so as to minimize impact to employees and visitors.

Today (June 16) visitors to the Governmental Center campus in Leonardtown may experience some difficulty finding a parking space near the Chesapeake and Potomac Buildings and Garvey Senior Activity Center. Contractors are re-lining the parking lots adjacent to those buildings. The STS bus stop on the Governmental Center campus is temporarily relocated. Signage will direct riders to where they may pick up an STS bus.

Parking adjacent to the Board of Elections location in Leonardtown will be limited due to initial seal coating of that lot. Work at that location should be completed by Saturday. Lot closures are being phases so as to ensure a sufficient supply of parking spaces.

Below is a complete list of the dates and parking locations contractors will be working. Employees and visitors are asked to plan ahead to locate an alternate parking location when possible.

June 15 and 16: Chesapeake Building, Garvey Senior Center, Potomac Building

June 16 and 17: Board of Elections

June 19 and 20: Arnold Building (DPW&T)

June 20 and 21: Old Carver School

June 22 and 23: Patuxent Building (LUGM, Sheriff, Rec and Parks, Treasurers Office)

June 23 and 24: Emergency Operations Center

June 24: Drill Hall (if procurement process has been completed)

June 26: Welcome Center in Charlotte Hall
