Emergency Construction to Close Bishop Road

Leonardtown, MD – Emergency road work to repair deterioration due to recent heavy rains will force Bishop Road to be closed beginning Tuesday morning (August 15).

County crews will replace the culvert at Burnt Mill Creek, approximately ¾ mile north of Friendship School Road. Access for nearby residents will be unaffected.

Motorists should use Parsons Mill Road as an alternate route between Friendship School Road and Loveville Road. Changeable message signs and detour signs will be provided to route unfamiliar motorists around the closure.

Roadwork should be complete and the roadway re-opened on or about Friday afternoon (August 18).
