Remember to Change Your Clocks and Spring Forward

Leonardtown, MD - The St. Mary's County Department of Emergency Services & Technology reminds citizens to mark their calendars as time springs forward by one hour.

Daylight Saving Time officially begins at 2 a.m. this Sunday, March 12. Don't forget to change your clocks (or you may be an hour late!)

The time change is the perfect opportunity to also change the batteries in your smoke alarms and carbon monoxide detectors. The U.S. Consumer Product Safety Commission recommends smoke alarm and carbon monoxide detector batteries be changed annually and the alarms tested every month.

For more information on Emergency Preparedness visit prepare.stmarysmd.com.
